

Board Performance Appraisal

External board reviews conducted by someone who has sat on the other side of the table.

The UK Corporate Governance Code expects FTSE 350 boards to commission an externally facilitated review at least every three years (Provision 21). Regulated sectors – financial services, housing, health, education – operate under equivalent expectations. We offer three distinct engagements, each triggered by a different need.

THREE ENGAGEMENT TIERS

Targeted Review

When you have a specific concern

A focused diagnostic on one issue. Commissioned when a Chair or SID knows what needs examining and wants a rigorous external read.

TYPICAL FEE
£5,000 - £12,000

DURATION
3-5 weeks

Evaluation

When you're due your standard review

A structured external review of the whole board and principal committees. Suitable for triennial cycles and new Chairs wanting a baseline.

TYPICAL FEE
£15,000 - £30,000

DURATION
6-8 weeks

Effectiveness Review

When compliance isn't enough

PROVISION 21 ALIGNED

The full externally facilitated review aligned to Provision 21. Goes beyond compliance to connect board effectiveness to strategy, culture, and long-term performance.

TYPICAL FEE
£35,000 - £65,000

DURATION
8-12 weeks

METHODOLOGY

01

Discover

Understand the board, its context, and the questions it needs answered

02

Design

Shape the review method to match the board's scale, complexity, and situation

03

Deliver

Evidence-based findings, delivered frankly and confidentially

04

Sustain

Practical recommendations the board can act on, with optional follow-up

PEER CREDIBILITY

Most external board reviewers come from consulting or accounting backgrounds. Very few have actually sat in the chair. Matthew Doyle has served as a Chair for over 12 years, as a Non-Executive Director for 18+ years, across six boards, alongside 25+ years of strategic advisory work – an unusually broad committee footprint that means every committee we review is reviewed by someone who has worked inside one.

Schedule a scoping conversation

A 30-minute scoping conversation is free.
